3. Mission Zimbabwe Harvest Dinner and Auction

Put Saturday, November 3rd on your calendar to attend our Harvest Dinner and Auction at Cedar Rail Camp. Tickets will go on sale (\$25.00/person) in September. One way you can help right now is to use your contacts to help us secure donations for our silent and live auctions. We need complimentary tickets to sports events or live entertainment. Gift certificates to restaurants are great and also tours and holidays would go well. We want to start now as businesses set their donation budget early in the year. Contact Barry at abmut01@gmail.com for a donation form or for more information.

Village of Hope Zimbabwe Update

Zimbabwe: New Family Members!

At VOH Zimbabwe we were happy to welcome this brother and sister into one of our children's homes! The siblings were brought to us from the Department of Social Services. Sadly, they come from a very difficult and abusive situation.

We are committed to making their lives better and ensuring they have hope for a bright future. We are working with them to help them recover from their previous situation and to ensure they know they are safe and loved as part of the VOH family! Please pray for them as they adjust to their life here at the Village. They have started school and are beginning to make friends and feel at home. We thank God that we are able to respond to such needs when they are brought to us!
