

VOH Zimbabwe Update: Congratulations, Daniel!
October 29, 2020

This week at VOH Zimbabwe we are celebrating Daniel, who graduated with a degree in Supply Chain Management. Daniel and his sister Pamela were two of the first children to come to our Village. Daniel has gone through school with dedication, always focused on the future. Seeing him graduate from University is monumental for him and us. We celebrate with him and wish him the best. Congratulations Daniel!
