

## Mission Zimbabwe Project

### Hope For Their Future

## Mission Zimbabwe Easter Update

“He is not here; He has risen, just as He said.  
Come and see the place where He lay.”  
Matthew 28:6

As we celebrate our risen Saviour this Easter weekend, no matter what we face today, what we've been through, or what uncertainties tomorrow may hold, Christ is risen and is our Hope. He conquered death, He makes all things new.

On behalf of our Mission Zimbabwe family, I encourage you to draw closer to the One who died for you and gave you new hope by rising from the grave.

### Mission Zimbabwe 2023 Team preparing to serve in Zimbabwe

The Mission Zimbabwe 2023 team is presently preparing to travel to the Zimbabwe. This will be the fifteenth team, sponsored by Hope Community Church in Hanover to travel to Zimbabwe. The team is scheduled to depart on May 10<sup>th</sup> and will return on May 26<sup>th</sup>. The nine team members began preparation and training in early March and have just participated in a team retreat at the Ethnos Canada Centre in early April. When the team is in Zimbabwe, daily team updates can be followed on the Mission Zimbabwe website at [www.missionzimbabwe.org](http://www.missionzimbabwe.org) or on the Mission Zimbabwe Facebook page.

For two weeks the team will be working at the Village of Hope and also visiting a rural children's home, Vimbainesu Children's Home. The team will be supporting the workers and house mothers, participating in building projects, providing assistance with community outreach nutrition programs, and interacting with the children. **Donated items are needed such as school supplies, children's underwear, bedding, medical supplies and building supplies.**

## We need your help!

### Donations are needed for medical and building supplies!

**Medical supplies:** There is a great need both at Vimbainesu Children's Home and the Village of Hope Medical Clinic for medical supplies. The clinic at the Village of Hope needs important medical equipment to serve the children and community. Vimbainesu Children's Home is in a rural area and in great need of basic medical supplies. We are hoping to raise \$2000.00 that we can bring with us to Zimbabwe to purchase these much-needed medical supplies.

**Building supplies:** Our team will be helping with the building of new classrooms for the students at the school at the Village of Hope. Building supplies will be needed so we are trying to raise \$4,000 so that we can purchase the necessary supplies.

Cheques can be made out to "Mission Zimbabwe" and medical supplies can be put on the memo line. Cheques or cash can be brought to Hope Community Church on 18<sup>th</sup> Ave in Hanover or sent by mail to Mission Zimbabwe, Box 345, Chesley, NOG 1L0.

Please help our team as we prepare for our mission trip to Zimbabwe.

## **VOH Zimbabwe Update: Student Leadership Team for 2023**

### **April 6, 2023**

It's that time of the year again at VOH Zimbabwe when we appoint the school's student leadership team for 2023. After undergoing training and equipping, a vibrant team of students was selected to take the reigns for the year. All of the students chosen exhibit qualities that we know will serve them well as part of this leadership team at school. We held an event attended by parents and guardians to celebrate!
