

## VOH Zimbabwe Update: Tino's Story February 19<sup>th</sup>, 2021

Tino came to live at VOH Zimbabwe when he was very young after his parents passed away. He was tiny and very malnourished. He's much bigger now, and this week he volunteered to fix the lawn at the center! Tino has grown to be a fine young man and is doing very well in school. You see Tino and you can't help but smile because you can see the goodness of the Lord through him. He enjoys playing after school and helping out with the chores
